It is not only significant **for sea birds** and **endemic land birds** but is also the most important **breeding site for Hawksbill turtles** in the Western Indian Ocean. The reserve is managed solely by local staff and benefits local communities on the neighboring Praslin Island through eco-tourism. Today, Cousin is managed by Nature Seychelles. During this time, weather permitting, Variety Cruises Captain will be calling at equally beautiful locales, visiting Cote D'Or or Anse Georgette.

The tours are quite active and require good physical condition. Due to slippery sites we recommend comfortable shoes, sun tan lotion, a hat and water.
