SUITES

Can you say exclusive access throughout the ship, personal RockStar style riders, upgraded marble clad bathrooms with premium amenities and spaces conceptualized by world renowned designer, Tom Dixon? Then let's talk suites.

MEGA ROCKSTAR SUITES

SM Massive Suite

Positioned at the front of the ship for unparalleled views, this most tricked out, most extra, unreal three room suite at sea is fit for rock & roll royalty. Complete with a private music room that doubles as a second bedroom, it's all leg-end-style here, down to the brass and leather nautical finishings. Step outside to find things like sun loungers, a standing hot tub and an open air Peek-a-View shower onto the sea. The expansive top to bottom marble clad bathroom features an indoor Peek-a-Boo shower with an iridescent, dichroic glass window onto the European king bed. Sailors can debate the latest musical hits while sipping some bubbly at the Champagne bucket-style table on the terrace, lounging on the full length hammock, sitting in the conversation pit bar area or stretching out in the suite's private lookout point. Sleeps up to four.
