The first 2 nights

Majestic escape to Victoria Falls

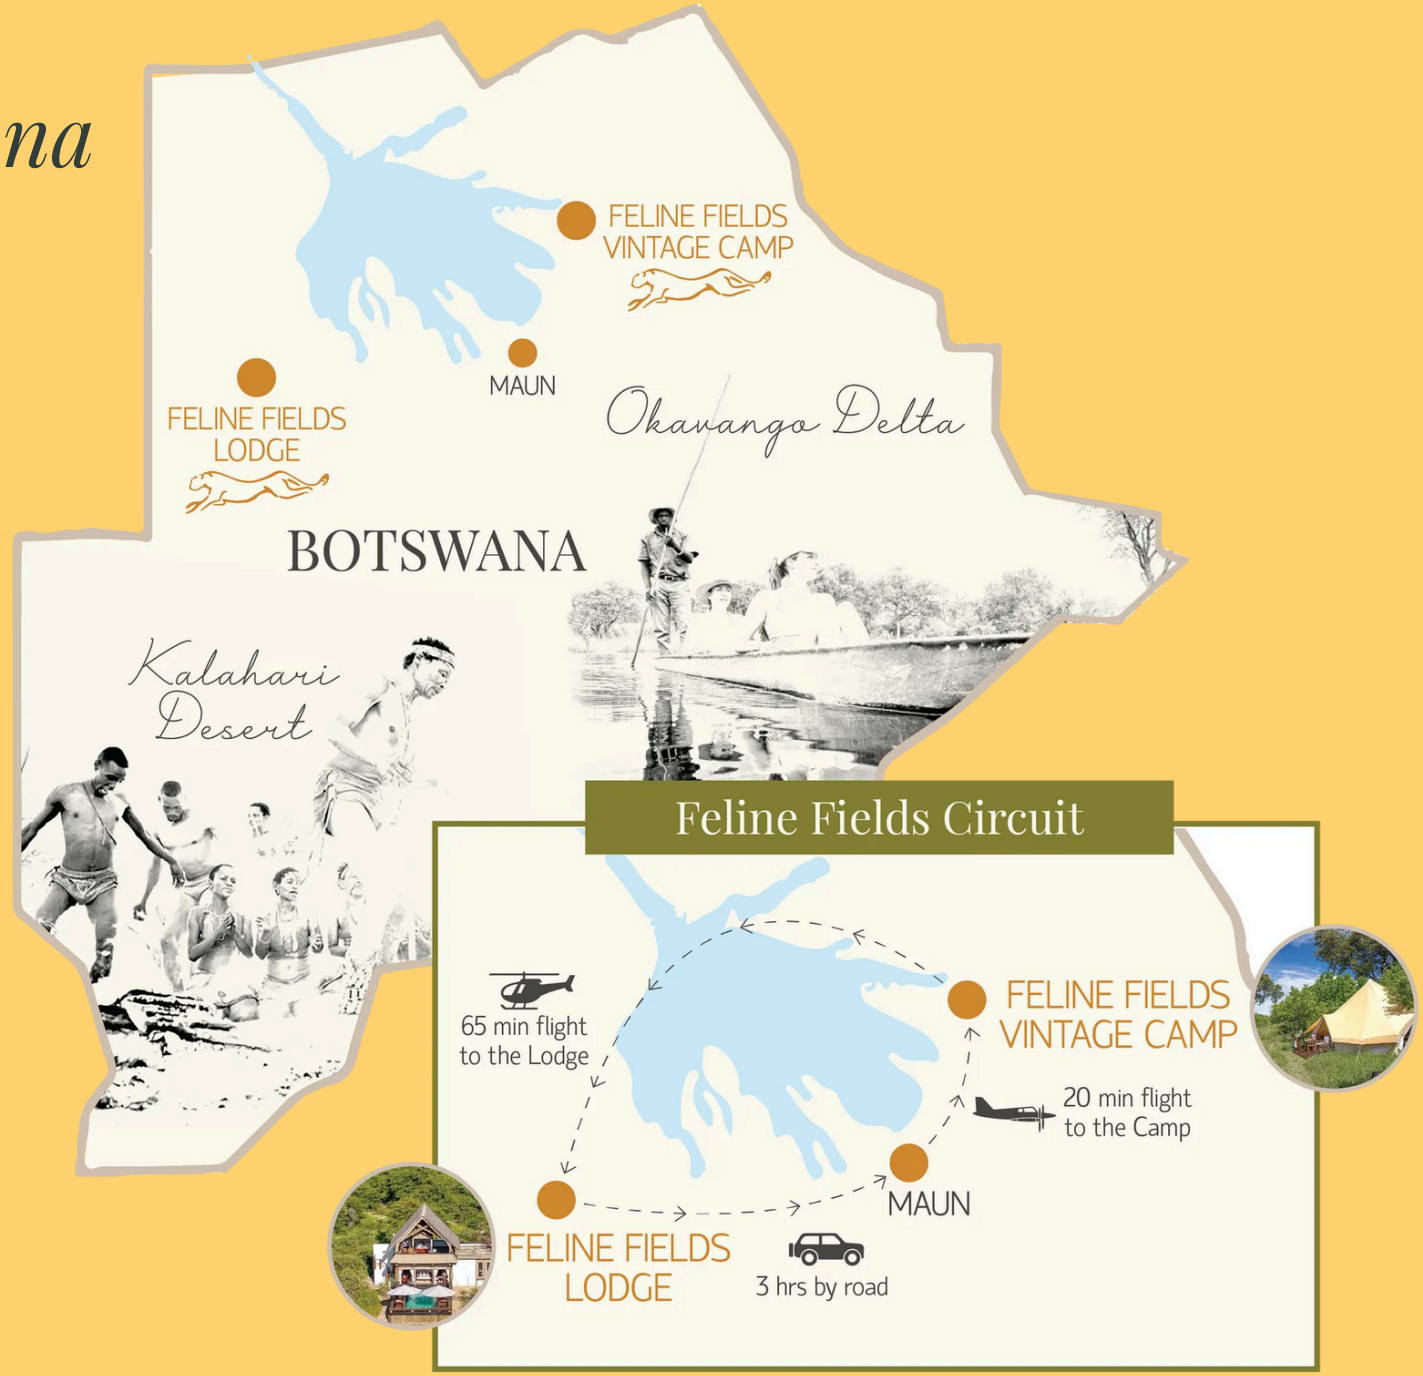

For your stay at Mbano Manor Hotel in Victoria Falls, enjoy two enchanting nights filled with a mix of relaxation and adventure.

Start your journey by experiencing the awe-inspiring Victoria Falls, either through a guided tour or by admiring the thundering cascades from various viewpoints. You might also take a sunset cruise along the Zambezi River, with sightings of hippos, crocodiles, and a stunning sunset.

For more adventure, consider a helicopter flight over the Falls for a breathtaking aerial view. Back at Mbano Manor, relax in luxurious surroundings, savor delightful cuisine, and recharge in the tranquil garden setting.

In the evenings, enjoy dinners under the stars, with the peaceful ambiance of the African night. Your time at Victoria Falls will be filled with unforgettable sights and serene moments that set the tone for your African adventure.

Off to Botswana

The 4 following nights

Destination to Botswana & Khwai Vintage camp

From Victoria Falls, you will take a scenic flight from Kasane to Khwai airstrip, offering stunning views of the landscape below. Upon arrival, our Feline Fields team will be there to warmly welcome you and ensure a seamless transition into your next adventure. From this point, your journey into the heart of the African wilderness truly begins, with unforgettable experiences awaiting you.

Located away from the traditional safari tracks and bordering the Moremi Reserve, Khwai Vintage Camp offers you complete privacy and dedicated staff for an extraordinary safari experience.

Depending on your arrival time, you have the option to go on a game drive at sunset or enjoy the camp at your own pace. Dinner under the main tent prepared by our chef and an evening by the fire, to the sounds of the bush.

First night at the heart of nature

Our eco-friendly safari camp blends seamlessly into its environment to bring its guests closer to nature. Wildlife sightings are excellent, as the animals are more comfortable near an intimate tented camp that respects their territory.

Sleeping in the midst of the wild nature in Botswana is an experience in itself! The nocturnal wildlife can be very active, and it is not uncommon to hear various animals communicate and move around.

Elephants and hippos regularly come to drink near the river branch that runs alongside the camp. However, there is no need to worry, as the animals are accustomed to our presence. Your guides are well-versed in their behavior as well as the safety rules to follow. Relax and enjoy the sound show!

An unforgettable safari

Wildlife sightings at Khwai are extraordinary and form the focal point of a safari with Feline Fields. A typical day starts with a good breakfast made with fresh, locally cooked at the Khwai Vintage Camp, before heading out for a morning game drive in search of the famous 'Big Five'. Your guide will lead you through the bush to discover the most emblematic animals and the rarest species of Southern Africa.

Return to the camp for a lunch prepared by our chef. Enjoy the afternoon resting around a "high tea"before departing for a second game drive.

Evening diner back at the Khwai Vintage Camp

With the flow of water

We offer you a change of perspective to contemplate wildlife aboard a traditional Mokoro. Glide quietly along the channels, observe the impressive Cape buffaloes peacefully settled on the bank, and discover the different species of birds of Botswana. For fishing enthusiasts, we can organise "catch and release" fishing along the banks of the Khwai River.

At the heart of the Okavango

A true source of life, the Okavango Delta sustains populations of the world's most endangered large mammals such as the cheetah, white rhinoceros and black rhinoceros, African wild dog, and lion. We offer a day-long motorboat excursion into a branch of the delta to explore the heart of this unique ecosystem, with lunch by the water following a 2.5-hour safari both to and from the dock.

60

Getting into the heights

Breakfast and an early departure for one last game drive. Your guide will then take you to Khwai airstrip for your helicopter transfer to Feline Fields, Lodge. Enjoy a panoramic view of the Okavango Delta region, a magical moment before landing in the semi-desert plains of the Kalahari for the next part of your stay.

HTO

Welcome at Feline Fields, Lodge

Upon your arrival, you will be welcomed by the members of the Feline Fields team, who will be at your service throughout your stay. Once settled in your suite, enjoy the late afternoon to relax around the pool before joining the brazier for the aperitif, where you will contemplate your first sunset over the bush.

Nestled in the heart of the Kalahari Desert, a wild and unspoiled region of Botswana that welcomes only a handful of visitors each year, Feline Fields, Lodge is a confidential paradise that has inspired even the greatest travelers.

A true ode to serenity, to vast spaces, and to the light that traverses this vast pristine region, the architecture of the Lodge is open to the outdoors, inviting its guests to immerse themselves in the heart of the wild plains of the Kalahari.

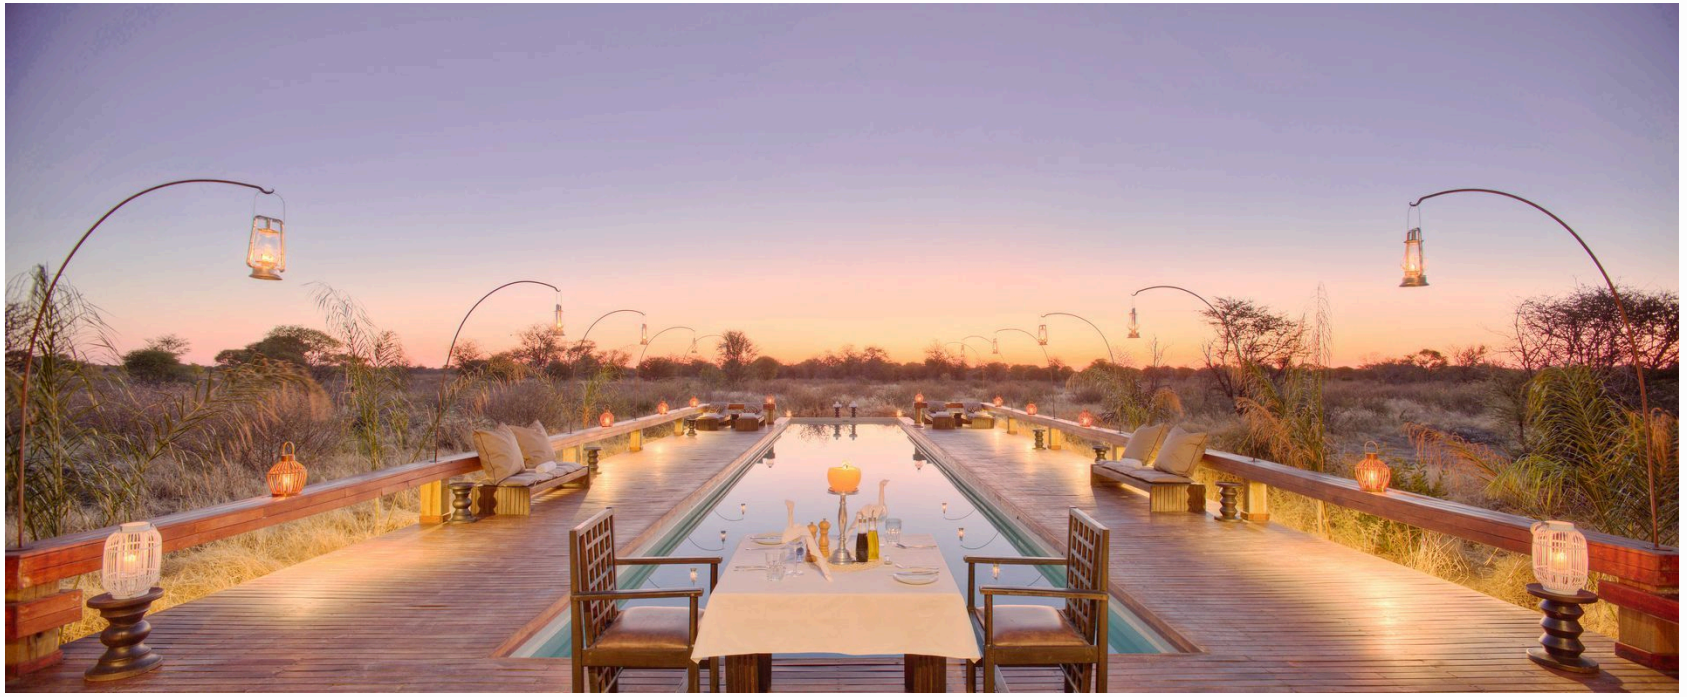

The following 3 nights

Disconnect from reality

Enjoy the 25-meter-long swimming pool while watching elephants come to drink at the watering hole, or go with your guide on a "desert drive" to explore the Kalahari. Explore its endless expanses on horseback, on foot, or on a fat bike, as well as at the golf range during activities. Visit the Gewihaba caves for a day, a UNESCO World Heritage Site.

Do you want to relax at the Lodge? A complete range of sports and wellness facilities awaits you at Feline Fields, Lodge. A tennis court built from an old termite mound, a fitness platform open to the bush, massages with essential oils, facial and body treatments... let yourself be carried away by the magic of this unique place.

Go out to meet the local bushmen

Accompanied by your guide and translator, you will have the opportunity to meet the Bushmen people of the Kalahari, the first men to have occupied Southern Africa more than 20,000 years ago. Alongside them, you will learn hunting and survival techniques, walk across the Kalahari plains, and witness their traditions.

This meeting is an exceptional opportunity to exchange about their customs and philosophy and will contribute to the protection and enhancement of their ancestral way of life, which is now threatened. An authentic and immensely enriching experience.

A night beneath the stars

Experience the unique sensation of falling asleep under the stars on the undulating dunes of the Kalahari. Admire the sunset while enjoying a homemade cocktail in the middle of the desert.

Spend the evening around the fire observing the Milky Way like you've never seen it before. Let yourself be lulled by the sounds of the Kalahari and the twinkling of the stars, until dawn and its changing colors, as the first rays of the sun appear on the horizon.

Meet the Giraffes at The Lodge

For many years, the return of giraffes to this part of the Kalahari was a cherished vision, an ambitious conservation project discussed, imagined and carefully prepared over time. In February 2026, that vision finally became a reality when The Lodge welcomed four very special new residents: Melman, Sophie, Emma and Lucius.

Rescued and safely relocated in close collaboration with the Wildlife Department, the four giraffes now represent the reintroduction of a species that had not roamed this area for several decades. Watching them settle into their new surroundings and once again grace the Kalahari landscape marks a deeply meaningful chapter for The Lodge and the region's wildlife.

During your stay, you will have the opportunity to visit Melman, Sophie, Emma and Lucius, learn more about their individual personalities and discover the inspiring story behind their journey. Meeting them in the vast beauty of their new home promises to be a truly memorable experience, and a rare chance to witness an important conservation story as it

Day of departure

On the way back

After a good early breakfast, off to Maun in an air-conditioned 4x4 with driver. Lunch on the way or in Maun depending on your departure time. You will have the opportunity to rest at the Feline Fields Guest lounge while waiting for your flight to Johannesburg. The Feline Fields teams will assist you up to your check-in, and your luggage will go directly to your final destination, allowing you to relax or do some souvenir shopping at the airport & in Johannesburg while in transit.

We hope your stay in Botswana will be an enchanted getaway, filled with refinement and beauty. We look forward to seeing you soon under the bright skies of Botswana.
